PRAYERS FOR MARCH

A PRAYER FOR SMALL CONGREGATIONS

from Mildred Houghton

Gracious Lord, we pray that you will bless your church on earth. Especially today we pray for small congregations. Many are struggling to stay in existence as units of your worldwide church. They struggle to hold members who are drifting away. They struggle to bring new members into your fold. They struggle financially as members whose personal incomes have shrunk try to meet increased costs such as skyrocketing utility bills. Some are struggling to recover from the devastating effects of hurricanes, fires and floods. Without your love and guidance, many will cease to exist as congregations. The members will still be true to you, but they feel lost and grieving. Lead and support them, O Lord. Let them always know and feel your love. Amen

A PRAYER FOR COSTA RICA

from Judy Schlegel

Almighty God, you welcome people as your own. We ask that you would welcome the people of Costa Rica as your own. Pour out your blessings upon them. Give them leaders who will inspire them, courage to move forward, and the resources to fulfill their dreams. We ask these things in Christ's name. Amen
