North Carolina WELCA Fall Retreat

Blowing Rock Conference Center

September 30 – October 2

Friday evening through Sunday Morning Worship

Some stories in this world never get told or sold. Why? Because people at the top know if they allow us folks down below to tell them, we'd find out our power is greater than we'd ever dared hope or dream. All our love without limits stories fall into this category, which is why we just fight like hell to tell them. So, people in power – and all who try to be big, bad wolves – bring it on. Huff and puff

away at our love without limits. In the end, what is true will turn your face blue.

Join your fellow women of the ELCA on an interactive examination of Love Without Limits. In Love Without Limits, author and theologian Dr. Jacqueline Bussie imparts practical solutions for people who yearn to love across differences.

Our retreat will center around this concept – how to truly love without limits and answer God's Call to practice a love so vast that it excludes no one.

Your worship leaders:

Heidi Gibson, NC-ELCA Lay Preacher
Carolyn Miller, Sidekick Extraordinaire

They're Baaaack!!!

Heidi and Carolyn are return presenters whose seminars are marked with thought provoking questions, fellowship, and lots and lots of laughter. In fact, they are two of the funniest people they know. They are thrilled to be back with this new interactive retreat. Be prepared to give of yourself and you will be rewarded ten-fold!

Dear friends, since God so loved us, we also ought to love one another. No one has ever seen God; but if we love one another, God lives in us and his love is made complete in us. 1 John 4: 11-12
