

I Am She

Do you know what is your best bold?

This retreat is designed to help you discover your boldest bold and find ways to put it into action. Women today stand at a particular point where the bold women of yesterday and the bold women of tomorrow can meet. We are the ones for whom we have been waiting: The call to act boldly on our faith in Jesus Christ is a present call. This retreat will inspire us, encourage bold action, befriend our fears, and design the future as we mold it according to our faith.

Will you boldly claim your boldness today, declaring, “I am she!”? We hope this retreat becomes the catalyst for you to act boldly in the present, and more so into the future, on your faith in Christ Jesus. **You are she!**

At this retreat, we will also share good food, fellowship and fun! **REGISTER EARLY!** Space for this popular event is limited and always fills before the deadline. **Deadline February 18, 2019.**

“Such is the confidence that we have through Christ toward God. Not that we are competent of ourselves to claim anything as coming from us; our competence is from God, who made us competent to be ministers of a new covenant. . . . Since then, we have such a hope, we act with great boldness.”
2 Corinthians 3:4-6a,12
