

Climbing the Sycamore Tree

This is a study on choice and simplicity. Do you ever feel overextended? Have you ever felt that you had no options or help with the choices before you? Are the decisions you make daily based on your Christian faith? Come to the retreat and look for ways to simplify your life. Learn from the Zachaeus story (Luke 19: 1-9) about being informed, being formed and being transformed – the interactive stages of the study.
